Residential

Fri 19th – Discos and Yr 6 Prom

Remaining INSET Days 2018-2019

Monday 22nd July 2019

Tuesday 23rd July 2019

Believe, Care, Persevere, Succeed

We saw many perfect examples of our school motto in action yesterday on the sports field. Children demonstrated that they believe in themselves and their peers and cheered each other on in good spirit. They cared about doing their best and there were examples of their caring natures when encouraging every child in the races. Our long distance runners, in particular, showed us all that success is possible if you persevere. They ran a long way and succeeded in crossing the finish line. Well done to everyone who took part in all the events.

Summer Fair

Tomorrow is the day! The Fair opens at 12pm and runs until 4pm. There will be people setting up from 8.00am. Any time you can spare throughout the day to help will be fantastic. Just half an hour can be put to good use so do let us know if you can be available.

The tombola will be particularly well stocked this year thanks to all your donations. It will be well worth buying a ticket or two to try to win one of the many superb prizes.

There is a special surprise addition to the arena this year, and it can feature every child in the school. Dance Phaze have been teaching a routine to all the children today and we hope they will all be able to perform it for you at 12.15 tomorrow. Please do try to come along with your child at this time tomorrow (see the yellow slip sent home with your child tonight).

Please remember that you will be unable to park in the school grounds and that the community centre car parks should not be used as they are for authorized users of the centre only.

We hope you will all come along to support the fair during the afternoon. The weather is due to be perfect!

Residential, Day Trips and Dinner Money

Thank you for the payments you have made this week to settle any outstanding amounts. Please check to see if you owe the school any money as we need to finalise accounts for costs incurred this academic year.

Sports Day

The weather turned out to be perfect for this event yesterday. The children enjoyed both the team activities and the more formal running races and took part with great enthusiasm. Thank you to those of you who helped out with various activities and, of course, for supporting your children and the school by attending on the day.

Dance For Year 6

Most of our Year 6 children were at The Hurst today for their induction day in preparation for September. This means they did not take part in the Dance Phaze workshops but, fear not, they are not going to miss out! Faye Cottrell has arranged with us to come in and work with the year group over the next couple of weeks. She will teach them 2 dances in preparation for their prom. We are very grateful to Faye for her support.

Move Up Morning

It's that time of year again when new class lists are being finalised. The children will be spending time with their new teachers in their new classes next Thursday morning.
