Residential

Fri 19<sup>th</sup> – Discos and Yr 6 Prom

#### Remaining INSET Days 2018-2019

**Monday 22<sup>nd</sup> July 2019**

**Tuesday 23<sup>rd</sup> July 2019**

### Believe, Care, Persevere, Succeed

I think the Summer Fair was a perfect example of our motto in action. Our amazing PTA had the belief necessary to put on such a large event. They do everything for the school on a voluntary basis, showing clearly how much they care and without their perseverance, there is no doubt that the day would not have been such a huge success. Thank you to everyone involved!

#### Mr Dutton

You will have seen from the letter about classes next year, which your child has brought home today, that Mr Dutton is leaving us at the end of term. After 10 years at the school, he will certainly be greatly missed by the BCP community. I would like to thank him for all his hard work and commitment to the children, and to the school, and I am sure you will join with me in wishing him all the very best for the future.

#### Summer Fair

We had an incredibly hot day this year. Thank you to the PTA and their helpers for organising a fantastic event which raised around £1900 for the school to put towards IT equipment for the children.

The big dance organised by Dance Phaze was great to watch and the children remembered all the moves brilliantly.

Having seen how much the children (and staff!) enjoyed the sessions, we are very excited that Dance Phaze will be delivering dance lessons in school from September as part of our PE curriculum.

#### Think Safe

Year 6 took part in the Hampshire Think Safe programme last week in Bramley. Activities organized by the Fire Service and the Police are designed to raise awareness of keeping safe both in the home and while out and about. The children always find some of the scenarios challenging as they are meant to promote their thinking. We were impressed with how much they persevered and, as a result, benefitted greatly from the experience.

In addition to this visit, the Fire Service visited Year 6 at school on Monday to deliver more detailed fire safety training.

#### 10 Years of Dance Phaze

Your child may have told you about the surprise visit by Dance Phaze yesterday afternoon. To celebrate their 10<sup>th</sup> anniversary they travelled around the area completing 10 performances in one day.

After watching them dance, the whole school joined them to perform 'Trouble' which was the routine we were taught last week. Seeing 300 children and staff performing together on the field looked very impressive indeed!

#### Change to May 2020 Bank Holiday

You may already be aware that the Government have made a change to the 2020 May Bank Holiday date. A copy of the Hampshire school term dates is being emailed along with this newsletter for your information.

#### Keeping cool and safe

Just a reminder to ensure that your child always has sun cream on a hat available for the hot days that we've been having. Your child's water bottle can be replenished throughout the day with the water coolers that are available in every classroom.
