

This week in Foundation stage...

The children have been learning about number 3. We have heard traditional stories such as *Goldilocks & the Three Bears*, *The Three Little Pigs* and *The Three Billy Goats Gruff*.

We have also been introducing Numicon to the children. This is a fabulous maths resource that helps the children to visualise numbers.

They practised writing their names using the school script and the first Oxford Reading Tree book characters were introduced. They are:-

Biff

Chip

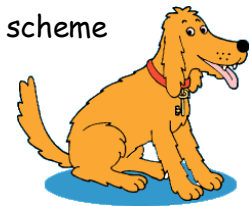

Kipper

Next week...

We will be introducing the first 4 sounds in our *Jolly Phonics* scheme - *s, a, t & i* -and will send home the first pieces of 'homework.'

We will focus on number 4 and introduce *Floppy*, the next ORT reading scheme character.

At home...

Share your child's new library book together. Enjoy it!

Reminders...

The children chose their first school library books on Monday. Please make sure your child brings the library book back to school every Monday so that they can choose a new one.

Request...

The WOW boards are now up and running, so look out for those special moments that you can write on a post it. We all like to celebrate the amazing things your children do.

Please could we have some junk modelling materials. We need small cardboard boxes and kitchen roll tubes. Please ensure that the packaging did not contain any nuts or eggs so that we can be sure of protecting our children with allergies. Many thanks.
