Remaining INSET Days 2018-2019

Monday 25th February 2019

Monday 22nd July 2019

Tuesday 23rd July 2019

Your patience and understanding was much appreciated during the recent bout of snow. Thanks to local staff who were prepared to walk in, we were able to remain open for the morning to provide care for any children who needed it. With AWE closing, and other parents telling us that they could not get to work, we were then closed at lunchtime so that staff could get home again safely.

Welcome to BCP

We are very pleased to welcome our new caretaker, Mr Mark Mason, to the school. He has already settled in to his new role and taking good care of the building and grounds.

Welcome Back!

It is fantastic to welcome Mrs Hulse back from maternity leave this week. She has returned to the Year 5/6 team as well and also continues in her senior leadership role.

World Book Day

On Thursday 7th March we will be celebrating World Book Day and the children (and staff!) can come to school dressed as their favourite character. Start thinking over half term and decide who you want to be for the day!

We will also be organising a book swap where children can bring in one of their books they no longer want and swap it for one they do want. Have a look on the shelves at home for a suitable book to swap.

Comic Relief 2019

This year's comic relief day is Friday 15th March. We will be having a non-school uniform day in return for donations. The children will have special activities planned by the teachers for the day.

Match Funding

If any parents or extended family members work for companies that provide 'Match Funding', we'd love to hear from you in school! For anyone that isn't aware, Match Funding is where if we raise an amount of money to fund a school project, companies will match the amount of money raised which would be amazing!

Sponsored Obstacle Course!

We are currently raising funds for new IT equipment within school including classroom tablets. We know that it's important to keep up with the fast moving pace of technology and on contrast, it's equally important to keep active and healthy and not idle. So... we are holding a sponsored obstacle course on Friday March 22nd to promote being fit and active and raise money for the IT equipment that we need. Keep an eye out for more information and sponsorship forms coming home soon!

Clearing off debt

As we approach the end of the financial year, it is vital that any debt is cleared as quickly as possible. Individual letters will be issued if necessary, so if you know you owe the school any money, please arrange to settle the payment. Thank you.

School dinner changes

On Thursday 21st March and Tuesday 2nd April, the meat option of roast pork will be substituted for roast chicken. This is due to the caterers having issues sourcing pork supplies.
