We are all coming close to the end of a busy and hardworking Term. A massive thank you for all of the hard work that the children have put into their performances during the Christmas shows, not to mention the hard work of our teachers and parents to make the shows such a success.

We are all looking forward to a few more fun filled days at school to conclude our successful term and then have time off over the Christmas period to relax and spend time together with our families.

Save the Children – ‘National Christmas Jumper Day’

Due to some confusion on social media regarding this National Event, we have decided to take part in this tomorrow, Friday 15th December. Children can wear non school uniform or a Christmas jumper if they prefer. Donations are welcome to go to Save the Children Charity although we are fully aware of the generosity of parents over the last few weeks and do not want to ask for more money at this expensive time of year. Children are welcome to wear non school uniform even if they don't have money to donate.

Tadley Christmas Lights

Thank you for all of the families who came along to this. The children sang beautifully and with such confident voices and we have already been asked to go back next year!

School Dinner Menu changes – w/c 18th December

With it being the last week of school and a shorter week, the kitchen staff (HC3S) have made a menu amendment to provide the most popular food to the children. The changes are as follows:-

Monday – normal menu

Tuesday – Vegetable chilli / Margherita pizza (Normal Wednesday choices including jacket potatoes)

Wednesday – Christmas Meal option that has been pre-ordered (No jacket potatoes)

Thursday – Fish and chips / BBQ vegetable and bean wrap (normal Friday option including jacket potatoes)

Judo

The New Year for our in-house Judo club will start on Thursday 11th January from 07:20 – 08:30. They are always looking for new children to try it out so why not go along for a free taster session? The club is open for Year's R-6.

School staff car park

Staff, deliveries & visitors and people with permits are the only people allowed to use School car park. If you do not fall into one of these categories, please do not follow another person into the car park when the gates are open or entering when someone is leaving. We have a small car park which is part of an 'open' school environment and it cannot cope with excess traffic and therefore increases the risk of car accidents, people not being seen and then injured and reduces access for the emergency services. Thank you for your support in this matter.
