Dear Parents,

The children enjoyed their 'move up' day today and spent the morning in their new classes for September. For some, this meant meeting a new teacher to the school and for others, they saw the familiar faces of our existing staff.

There are some staff changes for September. We say goodbye to Mr Dutton who is changing careers and we welcome Mrs Hayward who joins the Year 3/4 team.

The class structure remains the same with two Foundation Stage, three Year 1/2, three Year 3/4 and three Year 5/6 classes. The number of pupils on roll will rise to 302 which takes us close to our capacity of 315 pupils.

As always, we are very proud of the way the children take change in their stride and continue to approach school with positive and determined attitudes.

If you have any questions, or wish to discuss the content of this letter in more detail, do get in touch with the school office and they will arrange a convenient time for you to meet with me.

Yours sincerely,

Mrs A Armstrong
