16/03/20

Dear Parents/Carers,

We are currently keeping up to date with advice from Public Health England, the NHS and the Department for Education to keep our school community safe. Our priority is to keep the school open and running as normally as possible for as long as possible.

The situation changes daily and quickly and we will be responding appropriately. This will inevitably lead to decisions to alter or cancel plans and events and we appreciate your support and understanding at all times.

We are cancelling the planned Parent Consultations this week. There are a number of obvious reasons for this decision, including that we are minimising staff face-to-face contact to enable them to stay healthy and fit to come to work.

It is still important that you receive information about your child's progress and school life so alternative arrangements have been made.

Year 6 teachers will be calling parents this week to carry out consultations over the telephone. We can not guarantee time slots for these calls but please be patient and assured that you will be contacted.

Teachers of all other year groups, (FS, 1,2,3,4 & 5) will prepare a short written report for each child to be emailed or sent home with the children over the next two weeks.

Thank you again for your support and I will keep in regular contact with you regarding any further developments.

Yours sincerely,

Mrs A L Armstrong

Headteacher
