**Dinner Money/trip/Starlings accounts**

As we approach the end of the financial year please be reminded to settle any outstanding debts you may have. It is important that we receive all monies in good time in order to complete the processes required to close our accounts for 2019-2020.

**Great News!**

As you know, we put forward bids for grant funding from Tadley Town Council for the development of a sensory garden in the courtyard and for new gazebos for the PTA. We are delighted that both bids received enough votes to be awarded to us. In fact, the sensory garden won the most votes and the PTA bid came 3<sup>rd</sup>! Thank you to all of you who gave up time on Saturday to come along and cast your vote

**Small things, big help!**

Thank you for responding to the ongoing plea for donations of boxes of tissues which we continue to receive. The colds and bugs continue so we are making very good use of them. Do please keep them coming!

**Sport Relief**

A fantastic £221.40 has been raised today through your generous donations to the Sport Relief fund. The children have enjoyed a variety of activities today in mixed age groups across the school. Our youngest children have been very enthusiastic about spending time with the older year groups and we are all impressed with how the children have worked together to help and support each other.

**World Book Day**

We celebrated World Book Day last Friday and we were impressed by the children’s costumes and excitement as we enjoyed books, reading activities and stories. We do appreciate the effort that goes in to dressing up days and, as always, it was evident that our children have valuable support at home for such events.

**Sponsored Obstacle Course**

After the success of last year’s event we are holding a sponsored obstacle course on Monday 23<sup>rd</sup> March. Look out for further information which is coming home with your child from Mrs Stupples.
